---

**SCHOOL BOARD LINE OF CREDIT**

Mr. Poe reported that he had received questions from the banks regarding the legality of a line of credit for 5 to 10 years. Since this is driven by the School Board, it may be better if the School Board solicits the bids.

---

Brian Austin, School Superintendent, stated that the purpose of this line of credit was a roof at Dryden Elementary, a boiler at Jonesville Middle School and a roof at Lee High School. The reason the School Board was asking for a line of credit was to be able to repay the loan and do another project.

Mr. Poe suggests the County back out and let the School Board bid it the project and come back to the Board of Supervisors for approval.
