

INSTRUCTIONS FOR COMPLETING THE DESIGNATION OF BENEFICIARY

Complete this form if you wish to designate a beneficiary for VRS Basic and Optional Group Life Insurance and for your retirement contribution account. It is only necessary to designate a beneficiary if you want payment to be made in a method other than the order of precedence established by law. If you previously completed a designation form (VRS-2) and wish to change beneficiaries or to pay by order of precedence, you must complete this form to revoke any prior designations.

Please read the information provided on this form to understand your options for designating a beneficiary. Additional information is provided in the *VRS Handbook for Members*, which is available on the VRS Web site (www.varetire.org) or from your benefits administrator.

Life Insurance Benefits

The order established by law provides that payment of your VRS Basic and Optional Group Life Insurance benefits will be made as follows in the event of your death:

- To your spouse;
- *if no surviving spouse*, to your children and descendants of deceased children, per stirpes;
- *if none of the above*, to your parents equally or to the surviving parent;
- *if none of the above*, to the duly appointed executor or administrator of your estate;
- *if none of the above*, to other next of kin entitled under the law of the state you live in at the time of death.

Retirement Benefits

Death in Service

If you die while in service with a VRS-covered employer, and your death is **not** work-related, VRS pays benefits as follows:

- If no designation is made, or the death of all of your primary and contingent designated beneficiaries occurs prior to your death and another designation is not made, the beneficiary is determined based on the order of precedence shown above in Life Insurance Benefits.
- If you name your spouse, minor child(ren), or parent(s) as a beneficiary, or they are deemed the beneficiary due to the order established by law, that person may receive a monthly benefit or may elect a refund of the contributions and accrued interest in your account to the exclusion of any other named beneficiary. The spouse will take precedence over a minor child, a minor child will take precedence over a parent.
- If the beneficiary named, or determined by the order of precedence, is someone other than your spouse, minor child(ren), or parent(s), a refund of the contributions and interest credited to your account is paid.

If you die while in service with a VRS-covered employer, and your death **is** work-related, a refund of contributions and interest is paid to your designated beneficiary. If no designation is made, or the death of all of your primary and contingent designated beneficiaries occurs prior to your death and another beneficiary is not designated, the contributions and interest credited to your account are refunded to the beneficiary as determined by the order of precedence shown above in Life Insurance Benefits.

In addition to the refund of contributions and interest, a monthly benefit is paid to your surviving spouse for life. If you have no surviving spouse, the monthly benefit is paid to your minor child(ren) until age 18. If you have no minor child(ren), the benefit is paid to your parent(s) for life. All benefits are governed by and subject to the Virginia Retirement Act (Title 51.1 of the Code of Virginia.)

Death After Retirement

If you die after your effective date of retirement and chose a payout option other than a Survivor Option, a refund of the contributions and interest that have not been paid to you as a monthly retirement benefit is refunded to your named beneficiary or, if no beneficiary designation is on file with VRS, the first person qualifying based on the order of precedence shown above in Life Insurance Benefits.

If you die after your effective date of retirement and chose a Survivor Option, your monthly retirement benefit payment continues to the person you named as your contingent annuitant.

If you are retired, selected a survivor option and wish to change the name of the person you selected to receive the monthly benefit at the time of your death, contact VRS for further information. *This form cannot be used to change the contingent annuitant you designated at retirement.*

Death After Termination

If you die after you have terminated your employment in a VRS-covered position but before beginning to receive a monthly retirement benefit, and have not taken a refund of the contributions and interest credited to your account prior to your death, a refund of the contributions and interest credited to your account is paid to your named beneficiary; or in the case of no beneficiary designation on file, to the first person qualifying based on the order of precedence shown above in Life Insurance Benefits.

Other Key Points to Remember

1. This form cannot be used to designate a beneficiary for your spouse and children's coverage under the Optional Life Insurance Plan because you are the beneficiary of those benefits.
2. If you name multiple primary beneficiaries, other than those established by law for death in service benefits, the proceeds will be split equally, unless you instruct otherwise in the Share % box for each beneficiary on this form. List up to four beneficiaries on this form. If you want to designate additional beneficiaries, list them on the Designation of Beneficiary – Continuation (VRS-2A). You must complete the continuation form (VRS-2A) at the time the VRS-2 is completed. You must have both forms notarized at the same time and then submit both forms to VRS.
3. In order to be valid, this form must be filled out completely, and your signature must be notarized. Use given names such as "Mary L. Doe" rather than "Mrs. John Doe."
4. If a **minor** (child less than 18 years of age) is named as beneficiary, a guardian for the financial estate of the minor, must be appointed by the court before benefits can be paid.
5. If an **estate** is named as beneficiary, a probated will appointing an administrator or executor must be provided or the court must appoint an administrator or an executor before benefits can be paid.
6. If a **trust** is named as beneficiary, list the name of the trustee and the date that the trust agreement was completed. Do not submit a copy of the trust with this form. A copy will be requested when the claim for benefits is made.
7. Forms that have been altered cannot be accepted. If you make an error when completing this form, either complete a new form or initial the information that was changed.
8. *Beneficiary Types:* When you choose beneficiaries other than the order of precedence, you must designate each beneficiary as primary or contingent.
Primary: Person(s) to receive the death benefits payable upon your death.
Contingent: Person(s) to receive the death benefits payable upon your death, if the primary beneficiary(ies) dies before you.
9. *Share %:* You may provide less than 100% share to your beneficiaries. You may break down the shares designated in Part B different from those in Part C. Designations in Part B must total 100%, and designations in Part C must also total 100%.
